

Mecmesin Software

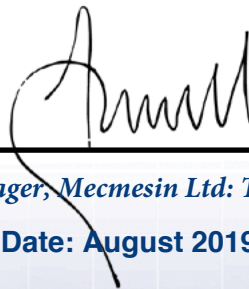

Certificate of Product Conformance

We certify that Mecmesin Software including all Emperor® and VectorPro® variants supplied with this statement have been developed in accordance with our own in-house standards, which form a part of our quality procedures and is regularly audited as a part of our ISO 9001 certification.

Mecmesin test systems are calibrated in accordance with documented in-house methods that are traceable to UK National Standards.

We certify that the calculations used in any Mecmesin software supplied with this statement have been verified by Mecmesin Limited in the United Kingdom, using a variety of tools such as Microsoft® Excel®, hand calculations and routine software testing.

We confirm that VectorPro software, and derivatives, is compliant with the requirements of Eudralex Volume 4: Good Manufacturing Practice - Medicinal Products for Human and Veterinary Use, Annex 11: Computerised Systems
